

Ashworth™ by Woodgrain Millwork Adjustable Hinge Instructions

When adjusting – use a hand screwdriver. Adjust the horizontal margins by adjusting the center hinge (top center hinge on 8-0). Adjust the vertical margins by adjusting the top and bottom hinges (and bottom center hinge on 8-0).

If you have any questions or experience any problems with your Woodgrain Millwork product, visit our website at www.ashworthdoors.com or contact our Customer Service Department at 800.935.2000.
